MR. MAGNUS W. ALEXANDER 10 East 39 St.

National Industrial Conference Board.

1922 Conference with Mr. Alexander March 9 (Maj. Churchill).

Letter to Mr. Alexander March 10, 1922, forwarding estimates on Great Britain, France, Germany, Austria, Czechoslovakia, Italy, Sweden, Norway, Denmark, Belgium, Netherlands, Poland, Switzerland, Russia and United States, asking for criticisms, and advising map collection is at his disposal.

Maj. Churchill desires to be put in touch with Judge Geary, of the U. S. Steel Corporation.

March 23, 1922 - Mr. Alexander interviewed by Maj. Churchill. Mr. Alexander criticized the economic estimates previously furnished him as being slightly superficial. He was informed that this superficiality was recognized, but that the economic monograph contained complete data. He requested the economic monographs on Germany and Great Britain for criticism. These were furnished him on March 29.

Mr. Alexander offered to criticize all economic estimates as they were issued. Arrangements made with M.I.2 March 29 to furnish him these estimates as issued.

Mr. Alexander invited Maj. Churchill to attend the April 20 meeting of the National Industrial Conference Board. Matter referred to Col. Heintzelman, who approved in principle.

April 20 - Maj. Churchill attended meeting, with profitable results. Arrangements made for G-2 to be represented at future meetings by Col. Procter.

Economic monographs on Germany and Gt. Britain returned April 27.

May 1, letter to Mr. Alexander introducing Col. W. F. Martin.

N. I. C. B. reported estimates sent for criticism good.

May 23 - letter from A. C. of S., G-2, 2 CA, re meeting of Board May 18.

June 8 - memos. prepared in M.I.2 forwarded to Col. Procter for use in connection with meeting of June 15.
